

Scoutlink activity badge

About the badge

The scoutlink activity badge is a badge with a main purpose to let scouts gain knowledge about all the different activities that ScoutLink provides.

It's also a great tool for everyone to use when creating local JOTI-events. You can use it as an engaging activity for the scouts, rovers and leaders. Use it as the JOTI-activity or make it a part of your activities. Print a checklist for each scout and leader and let them fulfill the requirements during JOTI. As a bonus, when they have all signatures, they are qualified for the exclusive badge to sew on their uniform or camp blanket.

The checklist is a sheet for each person to tick off the requirements as they complete them. These are especially useful to use during JOTI, as Scouts can collect signatures as they do each task, and can take the card to complete at home later if they are not finished. All of the following tasks can be done using the ScoutLink services. If you are unsure how to access any of the requirements, please email us at help@scoutlink.net or ask us in #help at IRC

You can find much of the information, such as rules, procedures, quizzes and contacts, on our website: www.scoutlink.net.

Buying the badge

The ScoutLink Activity Badge can be ordered through www.scoutlink.net/badge

Requirements

These requirements target Scouts of ages 10+. Leaders can adjust the requirements themselves to suit the level of their Scouts where needed. If you need help with this, please email us.

Leaders or parents sign off their young people on the card when each task is complete. We are happy to help if you need some guidance on the different tasks, as some may be unfamiliar to you. Adults are more than welcome to complete the badge and may sign off their own requirements.

This badge has 4 sections.

Complete all the tasks in section 1.

Complete 10 extra activities free of choice, from sections 2, 3 and 4. You must do at least one from each of these sections.
