Agenda Items

1.- Re-Structure of ScoutLink over JOTI

ACTION: ScoutLink network wide will host JOTI on a 48 hour range starting Friday 16th - 16:00 UTC to Sunday 18th - 16:00 UTC

Approved

ACTION: ScoutLink will use +m on all user and public channels and disable private messaging network wide on Sunday 18th - 16:00 UTC [Channels that will not follow that need to inform council but do not enable PM's]

Approved

2.- Teams Leadership positions

ACTION: Moved to Discourse.

3.- Elections Updates [Undergoing elections]

- a. Central Europe – Election ready to be called.
- b. Benelux – No nominations and no Development Coord appointment.

Note – BENELUX being a team without leadership but with active ops will be managed by chair during the year as per rules and their temporary JOTI volunteers by JOTI TEAM. However, since they are still active they will not lose their channels.

An email will be sent out to NSO's alerting of the loss of representation so teams can manage ahead.

4.- AOB

ACTION: ScoutLink will only ban IP's or IP ranges based on using the wrong language on channel basis... and if those languages are not represented by volunteers operators.

Approved
